

Accredo, a **Specialty Pharmacy**

Accredo is a safe, convenient way to get your medicine. Plus, it offers:

- Simple communication, including refill reminders, by phone, email, text or web alert, whichever you prefer
- A mobile app that allows you to refill and track prescriptions, make payments and set reminders to take your medicines*
- 500 condition-specific pharmacists and 600+ nurses, all offering one-on-one counseling
- Free standard delivery
- 24/7 support

Get one-on-one support for your specific health condition

Accredo has 15 Therapeutic Resource Centers® (TRCs), each focused on a specific specialty condition. You'll have direct access to counseling and education on your health condition from specially trained pharmacists, nurses and other clinicians.

They'll discuss how to reduce your disease progression, achieve your treatment goals, manage any side effects from your medicines and find the most effective way to take your medicines. They'll also monitor your progress and offer support with any financial or insurance concerns you may have.

ACCREDO TRCs INCLUDE:

- Rheumatoid arthritis and inflammatory
- Endocrine
- Cystic fibrosis
- Transplant
- HIV
- Neurology and multiple sclerosis
- Asthma and allergy
- Hepatology
- Pulmonary arterial hypertension
- Blood disorders
- Immune disorders
- Rare diseases
- Oncology
- Fertility
- Select specialty conditions

Accredo combines personalized clinical care with simple, convenient tools and information that are easy to access.

It's easy to get started

To set up an account with Accredo, log into **myNebraskaBlue.com** and select **Pharmacy** from **Tools and Resources** or contact an Accredo patient care advocate at 833-715-0973. They'll work with your doctor on the rest.

With your Accredo account, you can:

-  Order refills online
-  Check order status and track shipments
-  View order and medication history
-  Set communication preferences
